The Westville Bookworms

First Monday of the month from 6-7pm

October 3rd, 2022

Each new school year brings familiar challenges to Brae Hill Valley, a struggling high school in one of the biggest cities in Texas. But the teachers also face plenty of personal challenges and this year, they may finally spill over into the classroom.

English teacher Lena Wright, a spoken-word poet, can never seem to truly connect with her students. Hernan D. Hernandez is confident in front of his biology classes, but tongue-tied around the woman he most wants to impress. Down the hall, math teacher Maybelline Galang focuses on the numbers as she struggles to parent her daughter, while Coach Ray hustles his troubled football team toward another winning season. Recording it all is idealistic second-year history teacher Kaytee Mahoney, whose anonymous blog gains new readers by the day as it drifts ever further from her in-class reality. And this year, a new superintendent is determined to leave his own mark on the school—even if that means shutting the whole place down.
